

Parent Consent For Selected Senior Project

As the parent or guardian of _____, who is a senior enrolled at Hillgrove High School, I am aware that the Senior Project, completed as part of my son/daughter's senior English class, will comprise 20% of his/her English grade. The research paper will be 10% of the grade; the Presentation will be 10%.

For the **research paper**, my son/daughter has decided upon the following topic:

For the **Senior Project product** related to this research, my son/daughter is planning to do the following:

My son/daughter estimates that completing this product will involve a cost of approximately \$ _____, and that this is a reasonable expense.

I fully understand that the selection of the product component is a decision made independently of the staff and the administration of Hillgrove High School. All consequences of the product choice, production, or experience-unless otherwise stated-rest solely with me and my son/daughter.
_____ has my permission to complete this product.

I release the school, the school district and its employees from all claims arriving from financial obligation incurred, or damage, injury, or accident suffered while my son/daughter participates in the product component that he/she has chosen. I also realize the research and product must present a "learning stretch" ~ something that my son/daughter has NOT done before.

Finally, both I and my son/daughter understand that plagiarism is using another author's words or ideas without giving credit. ***I am aware that if my son/daughter plagiarizes ANY part of the research paper, he/she will receive a zero on the entire paper and may not be allowed to continue with the remaining parts of the Senior Project. This will result in a zero for 20% of his/her senior English grade.***
